

<p>Rationale</p>	<p>This policy outlines the way in which Kildare Education Ministries (KEM) and KEM schools will respond to and endeavour to resolve complaints referred to the school by parents, guardians, carers, students, staff or members of the community. It also provides guidelines for those who may wish to lodge a complaint.</p> <p>NB: This policy does not cover complaints regarding child abuse (refer to Resources section for further guidance on handling child abuse complaints). Nor does it relate to critical incidents, emergency management, criminal offences, the imposition of School Community Safety Orders, or the conduct of clergy or other persons involved in religious ministry.</p> <p>This policy is not to be used by staff or volunteers in relation to complaints about their workplace or employment conditions. These matters should be addressed either through OHS or Internal Grievance Procedures.</p>
<p>Principles and Values</p>	<p>KEM and its schools are committed to providing a safe and supportive work and learning environment for all employees and students. They strive to be communities of faith, hope and love, where the dignity of the human person, created in the image and likeness of God, is given the highest respect. Communication takes place in an environment of transparency, compassion, tolerance and inclusion.</p> <p>KEM acknowledges that from time to time, complaints may arise. An employee, student, parent or community member may have a complaint about a decision, behaviour, act or omission (whether by the Principal, members of the leadership team or other staff/students/parents) that they feel is unacceptable, unreasonable or discriminatory.</p> <p>KEM and its schools will address such matters within a framework of dignity, respect and truth, and in a manner consistent with KEM's commitment to Gospel values in the reality of our contemporary world.</p> <p>KEM will also require of its schools a timely and professional response to complaints, as an effective means of encouraging communication, building trust, resolving issues, and establishing a settled and happy learning environment for students, staff and families.</p>
<p>Audience</p>	<p>The audience for this policy is the Board of KEM, the KEM secretariat, all personnel employed or engaged in KEM schools and offices, families and the wider community.</p>

Procedural principles</p> <ul style="list-style-type: none"> • Complaints of a school-based nature are best received and managed at the school level, with the parties involved expected to act in good faith and work together with respect and openness to achieve an outcome acceptable to all parties. Complaints that are unable to be resolved at the local level will be escalated to KEM. Complaints are to be received and managed in a way that is culturally safe and sensitive to the diverse circumstances of children and students, as well as providing support to vulnerable children and students. • Complainants should expect their concern or complaint to be taken seriously and to be responded to in a respectful, thorough and timely manner. • Complainants and the person/s against whom the complaint is made have the right to be heard and to expect that procedural fairness will be observed. • Confidentiality, protection of privacy, respect, access, dignity and impartiality will form the basis of the complaints resolution process. • Staff members and volunteers will be informed of formal complaints that are made about them. • The complaints resolution process will seek to achieve the restoration of good and respectful relationships. • The best interests of the school community together with the interests

	<p>of the individual will be taken into account.</p> <p>Record keeping, reporting, privacy and employment law obligations will be complied with when receiving and handling complaints.</p> <p>NB: Complaints regarding alleged sexual abuse cannot be investigated by KEM Schools independently. These must and will be reported to the police and to the Department of Human Services (see Resources section).</p> <p>3. Complaints against teachers and staff</p> <p>The nature of the complaint will determine who is the most appropriate person or body to manage a complainant's concerns.</p> <p>All complaints of alleged misconduct or serious misconduct by a teacher or staff member should be reported to the Principal of the school. Complaints about teachers may also be reported to the Victorian Institute of Teaching (VIT), which is the regulator in relation to the registration and investigation of serious misconduct (including conduct which is of a physical or emotional nature) of all teachers in the state of Victoria. If unsure if the complaint constitutes serious misconduct by a teacher, contact the VIT on Telephone 1300 888 067 or email vit@vit.vic.edu.au. In South Australia contact can be made with the Teacher Registration Board of South Australia (https://www.trb.sa.edu.au/).</p> <p>In some cases, certain actions which involve physical or emotional misconduct, such as unlawful assault or threats to the person, may constitute a criminal offence. These types of offences must be reported to and investigated by the police. Consultation with the Principal of the school is essential and may help to determine the appropriate course of action in these circumstances.</p> <p>4. Complaints against the Principal of a school</p> <p>Complaints against the Principal of a KEM school should be referred to the Chair or Executive Officer of the KEM Board.</p> <p>5. Complaints against clergy or other persons involved in religious ministry</p> <p>If the complaint relates to the clergy or other religious, the complainant should contact and seek advice from the Professional Standards Unit of the Vicar General's Office at Catholic Archdiocese of Melbourne (www.melbournecatholic.org) at 03 9926 5677, or in Adelaide, advice should be sought from South Australian Professional Standards Office at 1800 139 020.</p> <p>NB: If the priest or religious is a member of a religious order, the complainant should also contact the Provincial Leader or Professional Standards Office of that congregation or religious order.</p> <p>6. Anonymous complaints</p> <p>KEM and KEM schools will endeavour to address and respond to all complaints. In some situations, however, KEM may not be able to address complaints that are made anonymously or which lack sufficient detail to enable an investigation or resolution of the matter. For procedural fairness, respondents have a right to know the particulars of the allegations being made against them and be given an opportunity to respond to them.</p>
